| School Mission Statement<br>Career Pathways works to include underserved and disenfranchised students who don't<br>achieve well in traditional settings, but who will flourish in this unique multi-age/multi-graded<br>environment which promotes application of learning. Research shows that all students learn<br>better when they experience the real-life responsibilities of the job. |  |           |   |         |         |        |  |
